Cookham Rise get SILVER!

We are delighted to announce that we, Cookham Rise Primary School, have achieved the School Games Silver Mark Award for the 2024/25 academic year.

The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

Our sporting achievements this year include:
Runners up in the football league, a school netball team and taking part in over 16 inter school competitions for years 1-6.

With so many of our young people competing in local inter-school competitions this year, we are extremely proud of our pupils for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible.

As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year.

A special thanks to:
Staff and parents who have helped over the year!

We look forward to applying once again in 2026
