

Evidencing the impact of Primary PE and Sport Premium Funding

Cookham Rise Primary School 2023/24

In 2023/2024 Cookham Rise received funding of £17,790. Of this, £3,205 was spent purchasing the Ascot and Maidenhead School Sports Partnership (A&MSSP) Active package, which provides access to local inter-school competitions, some CPD opportunities for staff and 12 hours of specialist coaching and advisory support.

We have continued to provide a variety of extra-curricula clubs (many of which are free and run) including netball, badminton and Kickboxing. KS2 children were also able to compete again with other schools in the A&MSSP including golf, cross country, football, dance and Year 1 attended a whole class festival, with a focus on participation in sports.

We also had a selection of UKS2 children who participated in a cross-country competition with local schools.

School Games

The application process was undertaken nationally for the School Games Mark Award. We achieved Bronze last year. The criteria focusses on:

- Creating a positive experience for all children by ensuring that physical activity and competition provision is designed to reflect the motivation, competence and confidence of all young people
- To create positive experiences that promote the character development of targeted young people
- To advocate to key stakeholders how School Games makes a meaningful difference to the lives of children and to engage and educate parents

We were pleased to be achieve the Silver Award this year.
