## **Impact of Sports Premium Funding**

## Hockey

Sport premium funding allowed us to purchase additional hockey equipment and to offer specialist support to Year 6 teaching staff in order to deliver high quality sessions.

Two mixed teams from Year 6 showed off their improved skills in the inter school hockey tournament in Oct 2014, held at Altwood School. Our A team were unbeaten in their pool, whilst our B team were runners up in theirs. This meant a Cookham Rise v Cookham Rise semi-final which was won by the A team. They were eventually beaten in a close run final by St Edmunds Champion. A brilliant result – especially since most of the children had never played on Astro Turf before the day!

## **Cricket**

Sport Premium funding enabled us to bring in an experienced, specialist coach - Godwill Mamhiyo , a member of the Zimbabwean international squad - to lead in delivering curriculum lessons for children in Year 5 and 6 during the summer term. Teaching staff (including teaching assistants) from both classes were able to observe and learn from the delivery of these high quality lessons.

This initiative was co-ordinated by Jon Stewart from Cookham Dean Cricket Club, where a number of our pupils already play, together with the national charity Chance to Shine.

The children were extremely disappointed not to be able to put their new skills to the test in the inter school Kwik Cricket competition in June. The event had to be cancelled due to bad weather, and sadly organisers were not able to reschedule before the end of the end of the summer term.
