

Extended day provision at Cookham Rise Primary School

Sunrise Club and Sunset Club

The purpose of our school-led extended day provision is to provide a safe, inspiring and nurturing environment for our pupils to engage in activities to support their development and well-being, whilst being cared for in a familiar environment.

The provision of wrap around care is essential for parents who work during the day and need their children to be cared outside of school hours. A school-led provision enables a stress-free option for our parents to extend the available care for their children, knowing the values and ethos of the school will continue to be upheld.

Both clubs run Monday to Friday during term time. There is currently no school led childcare provision during school holidays or on inset days.

Sunrise Club provides a welcoming space for our pupils who need to be dropped to school early to support the families in our community. The club operates from 8.00am until 8.40am each morning. It takes place in the Cabin and children can spend time both inside and outside. Pupils must be booked on to a session by midnight the evening before and will be registered at reception.

The cost of each session is £4.00 per day, £20.00 per week. To book a space and pay please visit your child's Scopay account and select Sunrise Club. If you wish to pay using childcare vouchers, please email extendedday@cookhamrise.org

Our **Sunset Club** offers our pupils the opportunity to engage in activities to complement their academic learning, such as homework support or reading, in addition to developing life skills, such as problem-solving and communication, and enrichment skills, such as art and sport.

It is open to all pupils of Cookham Rise Primary School and children will have the opportunity to mix with others from across the school through our free play session, incorporating our values from our OPAL project.

The full session will run from 3:15 until 6:00pm Monday to Thursday, and 3:15 until 4:30pm on a Friday, although children can be collected earlier if parents wish. Additionally, if children attend one of the after-school activities held at school, they can join the Sunset Club afterwards.

The cost of each full session is £18.00 and includes an after-school snack and cold tea. A short session until 4:30pm costs £10 per child or for those joining us after an activity, the cost is £13.50.

Regular sessions can be booked via school ahead of each term. Booking forms will be sent to all parents to be completed and invoices will be sent to confirm booked sessions, detailing costs and payment deadlines. Payment can be made by BACs, via the tax-free childcare scheme, or by using childcare vouchers.

Ad hoc sessions can be booked by emailing extendedday@cookhamrise.org and paid via your child's Scopay account.

If you have any questions about our extended day provision, please email extendedday@cookhamrise.org
