

COOKHAM RISE  
PRIMARY SCHOOL

S.H.I.N.E

### A word from Mrs Daniels

On Friday all families were notified of a vacancy on our Governing Body and your child(ren) will have brought home a nomination form in their book bags. If you are able to offer your time and support to the school please do consider standing. We really value the contribution our Governors make.

Throughout the year we spend time reviewing different subjects. Mrs Parris is our science lead and last week we spent time together looking at books throughout the school. It was lovely seeing the progression of work and skills. Over the next few weeks Mrs Parris will have some time to talk with the children so that she can find out from them what they enjoy about their work and what they can remember!

We appropriately break up for half term on Valentine's day which is when we shall be celebrating with Miss Prout who will return after half term as Mrs Collibee!

## Internet safety talk for parents

**ROBLOX**

Special Parent Talk  
Help to Keep your Child Safe Online

**FORTNITE**

*Cookham Rise*  
7 – 8pm Tuesday 11<sup>th</sup> February

Our children live in the Internet Age. They love to use technology and play the latest games. However, it is not always easy for parents and carers to understand what they are doing and how we can help to do the right things to keep them out of danger.

The school will be having a Special Internet Safety Day. The children will learn about going on line and how to keep safe.

**MINECRAFT**

It is important that parents are also involved so they are able to help their children when they are at home. We would like to invite you to a special talk.

The talk is being given by Paul Hay, who is a specialist in Internet Safety.

He will tell you :

- **How young people use the Internet.**
- **Show how children use programs such as Minecraft, Roblox, Instagram, SnapChat and Tik Tok**
- **Describe how information young people post can be misused by people who are not their friends.**
- **Explain what you, as parents, can do to help keep them safe.**

*Instagram*

Above all it will give you as parents and carers the confidence to help your child get the most benefit and enjoyment from the internet while keeping safe.

Topics will be discussed in language we as parents understand. No technical or computer knowledge is required or expected.

You are welcome to bring a friend or adult family member with you.
