2024

COOKHAM RISE  
PRIMARY SCHOOL

S.H.I.N.E

## A word from Mrs Daniels ...

This week we have our first RWI development day of the year where our consultant comes into school for the day to observe lessons, look at data and offer further training and support. I am proud to say that we continue to be a badge school for RWI and my thanks in advance to Mrs Rogers and Mrs O'Mahony who will work closely with Sarabjit over the course of the day, as well as the team, who are always willing to be observed and improve practice.

We are also spending time over the next few weeks looking at Maths across the school, led by Miss Alington, our Maths lead. We will look at lessons, books and talk with children and staff in order to evaluate current practice. We have two workshops planned to support parents (info on page 4) so please join us if you can.

We have a lot of prospective parents visiting the school at the moment. Year 6 children all have the opportunity to lead tours and they have received very positive feedback so far!

This week we are holding our first Pupil Parliament session of the year where children in years 1—6 will be in mixed groups and have the opportunity to contribute their ideas about outdoor play.

### THIS WEEK

**Monday 7th**

**Tuesday 8th**

Year 4 swimming

**Wednesday 9th**

RWI school development day

Year 6 geography walk

**Thursday 10th**

## Maths sessions for parents

**Wednesday 16th October 7-8pm**  
**Thursday 7th November 7–8pm**

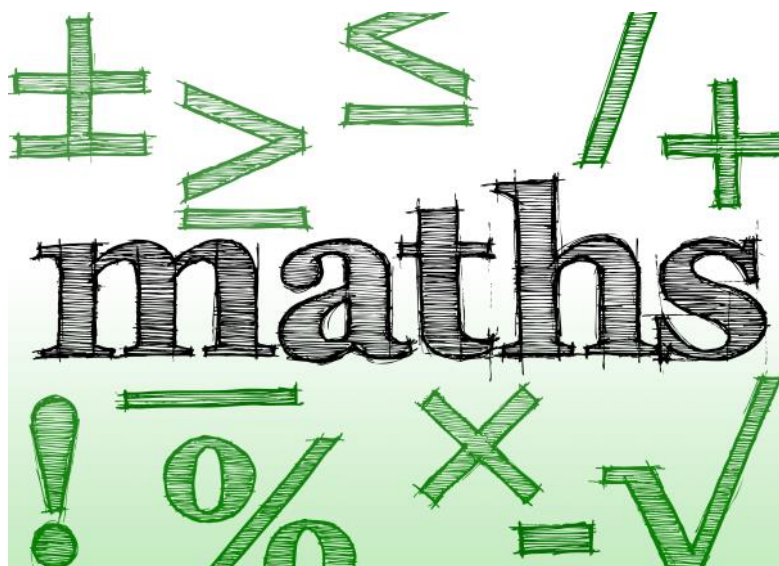

There are two Maths sessions on the horizon.

The first is before half term on Wednesday 16th October and is being led by Miss Alington and Mrs Bond. The one they ran in the summer term focused on addition and subtraction and this next session will be about multiplication and division.

No one will be put on the spot! It is all about showing parents how we teach certain strategies in school and helping you to be able to help them.

The second session being run is in the week after half term by a Maths consultant called Nathan Crook. He is really interesting to listen to and will explain brilliantly the idea of big thinking rather than big numbers.

Come along to one or come along to both, it would be great to see you!

# Football option for Monday 4th November training day
